

Subscriber Connection Cables

Quad-shielded connection cables, F-male to F-male

Core features

- Class A according to DIN EN60966-2-6
- Color: White
- Quad-shielded for high screening
- Packaging: 5 pcs in poly bag, 75 pcs in each box

Technical specifications

Parameter	FH-1-1L		FH-2-2,5-D	
Conductor				
Material	CU			
Diameter	0.5 ± 0.01 mm			
Insulation				
Material	PE			
Diameter	3.1 ± 0.1 mm			
1st screening material		Single face AL foil		
2nd braid shielding				
Material	CCAM			
Construction	128 x 0.12 mm			
3rd screening material		Double face AL foil		
4th braid shielding				
Material	CCAM			
Construction	96 x 0.12 mm			
Jacket				
Material	PVC, white			
Construction	6.0 ± 0.2 mm			
Connector construction		F-male, nickel plated, PVC molding, white		
Cable length		1.5 m	2.5 m	
Part number		22210214	22210225
